INTRODUCTION

"A nation does not fall overnight. Its decline begins silently when the pillars responsible for nurturing minds, guiding hearts and sustaining integrity lose direction. "

The Qur'an reminds us that:

"Indeed, Allaah will not change the condition of a people until they change what is within themselves. "

(Ar-Ra'd 13:11)

When the four key pillars of a nation deviate from their course, its downfall becomes inevitable.

a) Parents

b) Teachers

c) Scholars

d) Businessmen

They drift from their divine responsibilities and the spiritual and moral foundation of society begins to erode.
